Dear Sir, Madam,

You have submitted an application to the Erasmus+ Programme 2015 call for proposals for the action specified above. The Education, Audiovisual and Culture Executive Agency (EACEA) received 695 applications for this call.

A panel of external experts assisted the Evaluation Committee in the evaluation of your application against the award criteria indicated in the call for proposals. The European Commission adopted its Decision for award of the Erasmus Charter for Higher Education on 1st December 2014 after taking into consideration: (a) the eligibility decision of the National Authority of your country; (b) the formal eligibility verifications for conformity with the call for proposals eligibility criteria; (c) the evaluation and the recommendations of independent experts.

I am pleased to inform you that your application has been selected for the award of the Erasmus Charter for Higher Education (ECHE).

Please note, however, that, in the framework of the monitoring process, your National Agency will verify the **follow-up action** undertaken by your institution in order to comply with the comments and recommendations hereby enclosed. **Your institution is expected to have implemented measures for improvement by the time you start the activities funded by the Erasmus+ Programme.**

Non-compliance with the recommendations, the principles of the Charter and the objectives of the Programme may result in the withdrawal of the Erasmus Charter for Higher Education by the European Commission.

In addition, by applying for this Charter, your institution has committed itself to implementing the activities funded by the Erasmus+ Programme in line with the fundamental principles of the

Charter and to publishing the Erasmus Policy Statement of your institution on the institution's website within one month of receipt of the Charter. The Charter will be sent to you shortly in an electronic format only. As an expression of your commitment to adhere with the Charter, we kindly ask you to publish the copy signed by the legal representative of your institution on the institution's website.

For your information, out of the 695 eligible applications 539 have been selected for award of ECHE.

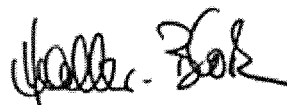

The list of all selected institutions will be published on the website of the EACEA when all applicants have been notified about the selection results. You may find all the relevant information on selected institutions as per Award decision on:

Should you have any questions concerning your application please do not hesitate to contact Mrs Alba Prieto González (EACEA-ECHE@ec.europa.eu) at the Executive Agency. In all communications please use your application reference number and Erasmus ID code **I BARI07**.

I would take this opportunity to congratulate you on your successful application and to wish your institution every success with its participation in the Erasmus+ Programme.

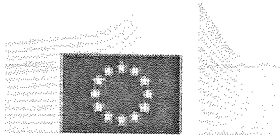

Yours sincerely,

The institution is recommended for the award of the ECHE but monitoring by the National Agency is suggested on the following issues:

- 1) No international office has been set up. There is no indication of the person/office in charge of mobility.
- 2) The ECTS has not yet been implemented.
- 3) Support for incoming students appears weak, instruments foreseen (movie, translations) not really effective.
- 4) The institution presents its course catalogue only in Italian. It declares that it is in the process of preparing it also in English.
